**Mr. Paul Bradley Conferred FCILT & CPL**

**Paul Bradley,  
FCILT, CPL**

Mr. Paul William Bradley, Managing Director, IDS Logistics International (A member of the Li & Fung Distribution Group) has become the first person with the distinction of being conferred a Fellow of the Chartered Institute of Logistics and Transport, FCILT, and honoured with the Certified Professional Logistician, CPL, certification at the same time.

The Chartered Institute of Logistics Singapore (CILTS), in making the awards, took into recognition Mr. Bradley's contributions to the logistics community in the region. Among other things, Mr. Bradley had served in the Business Advisory Committee on Logistics with the Trade Development Board, Singapore, and was a member of the Business Roundtable committee on Logistics, Manpower and Education Training organised by the Economic Development Board. A member

of the New Asian Leaders Programme of the World Economic Forum, he was also an invited delegate to the World Economic Forum East Asia Economics Summit in Kuala Lumpur 2002.

Professionally, Mr. Bradley has played a key role in developing logistics and supply chain management systems for the companies he has worked in Asia since 1992. He has also contributed published articles to professional publications in Asia and Australia and is a much sought-after speaker on Asian logistics issues in conferences and forums.

At the personal level, an award which Mr. Bradley must surely be proud of was winning the Outstanding Young Man of America award in 1985.
